PSYCHOLOGY RESEARCH SIGN-UP SYSTEM (SONA SYSTEMS LTD.)

SIGN UP AS A NEW PARTICIPANT

The Department of Psychology is launching the new online experiment sign-up pool for community volunteers. If you are looking for a way to sign-up online, or view available studies, please follow the instructions below. If at any time you have questions, please contact utmpsych.participantpool@utoronto.ca or 905.549.4870.

REGISTRATION

Create an account on the experiment portal to view and sign-up for available studies at: <https://utmpsychology.sona-systems.com>.

- a. To create an account please follow the 'Request Account' link on the right of the page and fill in the relevant information. After you request an account an email will be sent to you containing your user ID and a temporary password. If you have junk mail (spam) filters configured on your email you may need to change these to allow emails from utmpsychology-admin@sona-systems.net as this is where administrator system emails will be sent from.

Announcement
Welcome to the UTM Psychology Research sign-up website for Community Volunteers! The Department of Psychology at the University of Toronto Mississauga relies on the participation of adult volunteers from the community to conduct a wide variety of psychology experiments to study our sensory and cognitive abilities across the lifespan. By creating your account and answering some basic demographic questions, you will be able to see the listing of the paid experiments that you are eligible for and you may sign-up for them if you are interested.
NEW USERS: If you wish to create an account, please click on the "Request Account" link below. The registration will take approximately 5-10 minutes.
Questions: If you have questions or require assistance, please contact the system administrator (utmpsych.participantpool@utoronto.ca) or call 905-569-4870.

Your login information (userID and temporary password) will be emailed to you as soon as you request an account, so you may use these to login immediately. Please check your email for specific login instructions. If you have junk mail (spam) filters configured for your email, please configure the filters to accept email from utmpsychology-admin@sona-systems.net, as emails from the system will be sent from that address.

You must choose a user ID that is not already in use, and also specify an email address that is not already registered in the system. User IDs may be up to 30 characters in length and contain letters and numbers. To protect your privacy, you will only be identified to researchers with a unique numeric code that the system will assign, not by your name. This form should only be used by participants. Researchers will have their accounts created for them automatically.

- c. Before you are able to view the home page, you will need to complete the prescreen. This is a four-page set of demographic questions that all participants need to fill out before accessing their account.

VIEWING AND SIGNING UP FOR STUDIES

The home page appears as on the right. Here you can view studies that are available to you, view studies you have already signed up for, and change personal settings. Each study will have a description along with researcher information should you need to contact them. If you have questions about this sign-up system please contact utmpsych.participantpool@utoronto.ca for help with your account.

ADDITIONAL RESOURCES

There are multiple labs involved in running senior experiments in the lab, the Fukuda Lab, Perception, Action, and Language lab, and Speech Lab. You can learn more about principal investigators, researchers, and projects at: <https://www.utm.utoronto.ca/hcl/volunteers/seniors>
